---

### 2. LICENSE GRANT

Pyxel Morph is licensed, not sold.

Subject to your compliance with this Agreement and payment of applicable subscription fees, the Licensor grants you a limited, non-exclusive, non-transferable, revocable license to install and use the Software for personal or commercial purposes, according to the limits of your active Tier.

---

### 3. SUBSCRIPTION AND BILLING

Certain features require an active paid subscription.

Subscriptions:

- Are billed on a monthly basis

Canceling a subscription stops future billing. Access to paid features remains available until the end of the current billing period. No refunds or prorations are guaranteed.

---

### 4. LICENSE VALIDATION AND EXPIRATION

License validity is enforced server-side.

The Software periodically communicates with the Service to verify:

If a license expires or payment fails, access is automatically downgraded to the Free Tier. The Licensors reserves the right to revoke or modify licenses at any time for non-payment or breach of this Agreement.
